**SUMMARY:** A description of no more than one hundred words of the principal provisions of the proposed law, constitutional amendment or measure that will appear in no less than eight point type on the face of each petition signature sheet to be circulated.

The "Freedom of Choice in Health Care Act" will preserve and protect the rights of individuals to make their own health care and health insurance choices. Currently, many lobbyists and special interest groups in Arizona and around the country are promoting policies that would limit or even eliminate the ability of people to have choices when seeking out health care for themselves and their families. This initiative will guarantee the right of Arizonans to make their own health care choices. Lobbyists and special interests will see their power to control and dictate your health care limited.
